15th Anniversary Celebration

Fireside Breakfast

Sunday, November 27

Bethel Recreation Area Campsite

9:30 a.m. Get your grub on!

A “blue ball” meeting will follow breakfast. (It makes more sense than “red ball” since you have to wait till someone chooses you by throwing the ball).

We recommend you bring a lawn chair, and a dish to share if you wish. In case of inclement weather **BUNDLE UP!!** We aren't known for our good sense, just our sense of humor. We will have this thing unless there is a hurricane, tropical storm, or early winter storm.

Directions: The recommended way to the campground is by getting off I-64 at exit 261A and go West on Hampton Roads Center Pkwy. less than 1 mile to Hwy 600 Big Bethel Road. Then North about 1.5 miles on Big Bethel Road to Saunders Road. There is a traffic light there and you can only turn left. Turn left and go about 1/3 mile where the entrance to park is on the right hand side of the road at a sign "Hidden Road". The park is well indicated but there is a curve in the road just before you get to the entrance. Alternate directions are: I-64E to exit 258-us 17N-1 mile, right on Harpersville Road 1 mile Park on left.
