# SERVICE STRUCTURE WORKSHOP

## THINGS YOU ALWAYS WANTED TO KNOW BUT WERE TOO AFRAID TO ASK

If you've ever wondered...

What in the world is Upside  
Down Service Structure?

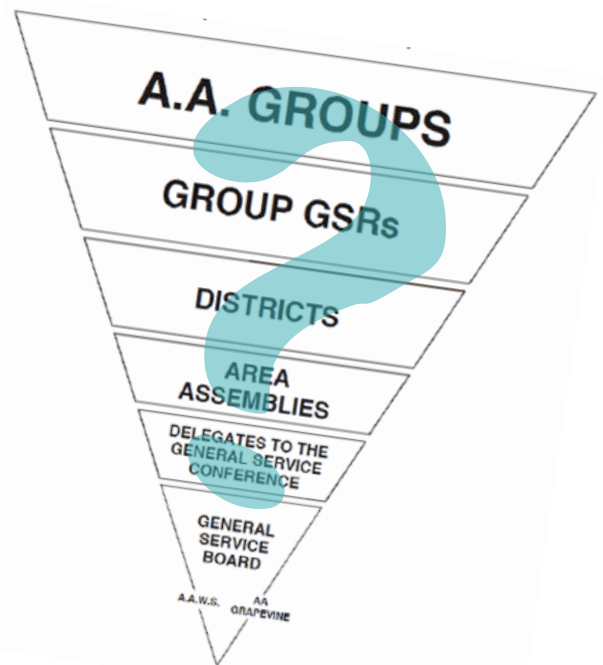

What the heck is District and why  
should my homegroup care?

Do we really need District?

What is Intergroup and  
what do they do?

Why don't I see them  
listed in our Service Structure?

... then please join us!
